

“People inherently wish to share what they find to be enjoyable, beautiful and unexpected.”

THINK PLAY DO

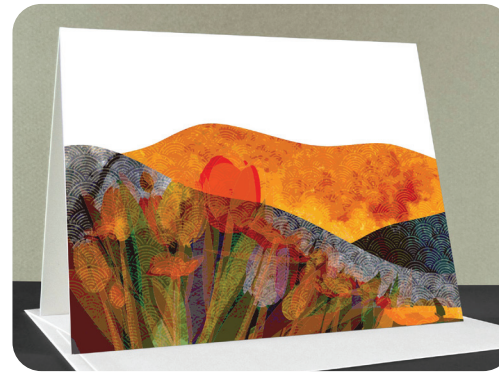

MY DESIGN PRACTICE IS BASED UPON A SINGULAR VISION—CREATING INSPIRED, RELEVANT AND SUCCESSFUL DESIGN SOLUTIONS AND ARTISTIC EXPERIENCES BY ENRICHING SPACE AND TIME WITH ‘**CALM ATTENTION**’—BEING ALWAYS SPECIAL BUT NEVER FLASHY.

CREATING WORK AND FINDING SOLUTIONS AT MULTIPLE LEVELS IS WHAT CHARACTERIZES THE WAY IN WHICH I APPROACH ALL PROJECTS, AND I’M COMMITTED TO THE INVESTMENT AND CULTIVATION OF THE FERTILE GROUND THAT EXISTS BETWEEN PEOPLE, DESIGN, AND THE WORLD AT LARGE.

ULTIMATELY, IT’S ABOUT DESIGN SOLUTIONS THAT SOLVE PROBLEMS, SPEAK TO PEOPLE IN MEANINGFUL WAYS, LIFT SPIRITS AND CELEBRATE THE HUMAN CAPACITY TO ENVISION AND DREAM.

“When you share a story
that touches someone,
you give them the gift of
human attention.”
